GLASGOW HISTORY OF MEDICINE SEMINARS

Philanthropy, Patriotism and Paediatric Nursing: Glasgow's Royal Hospital for Sick Children through five objects

21/03/2017
5.30PM

Tea/Coffee from 5.00PM Free

Speaker:
Dr Iain Hutchison
(University of Glasgow)

Taking five objects as focal points, Dr Hutchison will discuss the roles played by charity, emotion, patriotism and conflict, and by often under-valued nursing care during the hospital's pre-NHS era.

GLASGOW HISTORY OF MEDICINE SEMINARS

Regulation and Resistance - a history of non-human antibiotic use in the US and UK (1949-2013)

25/04/2017
5.30PM

Tea/Coffee from 5.00PM Free

Speaker:
Dr Claas Kirchhelle
(University of Oxford)

This presentation will examine the long history of antibiotic use in Western food production, the development of agricultural antibiotic use, and examine why regulations designed to curb bacterial resistance developed differently in the US and Europe.

Reframed: A Celebration of Diversity at the Royal College of Physicians and Surgeons of Glasgow

19/05/2017
8.00PM

Bar

Tickets £7.50

Join us as we celebrate the diversity of the College with an unusual pop-up art installation designed to challenge and disrupt the traditional look and feel of our College Hall. Featuring music/DJ and licensed bar. (Part of Festival of Museums)
